Notes: The Huskers began conference play in the Missouri Valley Conference in 1919 and played in the conference until 1925. The Huskers then became a member of the Big Six Conference in 1929. The Big Six Conference expanded to the Big Seven in 1948 with the addition of Colorado. In 1958, the conference expanded again with the addition of Oklahoma State. For 22 years, all Big Eight teams carried baseball until Colorado dropped its program in 1980. From 1981 through 1996 the league consisted of seven teams. In 1997, the Big 12 Conference was formed by adding Texas, Texas A&M, Texas Tech and Baylor. Ten of the Big 12 teams have baseball programs, with Colorado and Iowa State, which dropped its program following the 2001 season, not sponsoring the sport.
