

# CLAIRE ROBERTSON

Freshman

Carnoustie, Angus, Scotland (Carnoustie)

## OUTLOOK (2016-17)

Nebraska's first women's golf recruit from Scotland, Claire Robertson is the sixth European golfer to join the Nebraska program since 1998. Robertson was a member of Team Scotland at the Scottish Girls Under 16 Strokeplay Championships in Strathmore in both 2013 and 2014. She is a three-time Carnoustie Caledonia Golf Club Ladies Champion (2013, 2014, 2015) and she won the Alfred Dunhill Schools Championship played at St. Andrews in 2013. She won the North of Scotland Girls Championship at Boat of Garten in 2015, setting the course record with a five-under-par 67.

"The thing that stands out the most in watching Claire compete is her ability to battle the whole round, whether things are going her way or not," Nebraska Coach Krapfl said. "Claire brings experience competing internationally against the top players in Europe, while also representing her country. She has a well-rounded game, knows how to play in the wind and has shown the ability to shoot low numbers."

## HIGH SCHOOL/AMATEUR

Robertson was a member of Team Scotland at the Girls European Team Championships at Kaskada, Czech Republic, while also playing for the Scottish team at the Girls Home Internationals at Lanark in 2015. She represented Scotland at the 2015 Duke of York Young Champions tournament in Kent, England. She also advanced to the match play stages of the 2015 British Girls' Open Amateur Championships in West Kilbride, Scotland.

## PERSONAL

The daughter of Mark Robertson and April Robertson, Claire was born Feb. 6, 1998, in Dundee, Scotland. She has an older sister, Holly. Claire has not declared a major at Nebraska.

Robertson, who chose Nebraska over Chattanooga, said she expects Nebraska to give her the best opportunity for success on and off the course.

"I feel like Nebraska is going to give me the best possible chance of successfully pursuing both my golf and studies. Everyone at UNL has been extremely friendly, and the setup for student-athletes is amazing. I can't wait to get started and begin my American college life."
