

# 2016 NEBRASKA SEASON NOTEBOOK

The 2016 season was filled with successes for Nebraska, as the Huskers won 35 games, advanced to an NCAA Regional final, produced two All-Americans, one academic All-American and had one player selected in the first round of the NPF College Draft.

There were many individual accomplishments achieved during the season from Alicia Armstrong's record-tying eight RBIs vs. UNO, to Kiki Stokes' school-record five runs scored at Maryland, to Kaylan Jablonski's no-hitter against Purdue. But the biggest storyline of the season was a Husker team that pulled together and fought to the end, coming from behind in 17 of its 35 victories, including eight walk-off wins.

## NEBRASKA POSTED ANOTHER 35-WIN SEASON

Nebraska won twice in the NCAA Tournament to advance to the regional final and notch its fourth consecutive 35-win season in 2016 and the 16th 35-win campaign in the last 19 seasons. The 2016 Husker senior class averaged 40 wins per season during their career. The group left Nebraska with four NCAA Tournament appearances, two NCAA Regional titles, two NCAA Super Regional appearances, one Big Ten championship and one trip to the Women's College World Series.

## NEBRASKA HEADS BACK TO THE NCAA TOURNAMENT

The Huskers earned an at-large selection into the NCAA Tournament, advancing to the postseason for the 24th time in school history, a total that ranks 10th in NCAA history. The Huskers made the NCAA Tournament for the 20th time in the last 22 seasons, while Head Coach Rhonda Revelle became just the fifth active Division I coach to take his or her current team to 20 NCAA Tournaments.

## HUSKERS RECORD ANOTHER TOP-20 NATIONAL FINISH

At the NCAA Tournament, Nebraska won two games before falling in the Regional Final. The Huskers made a regional final for the third time in four seasons, officially finishing in a tie for 17th place. The top-20 national finish was Nebraska's fourth in the past six seasons and the 19th in school history.

## NEBRASKA KNOCKS OFF NO. 1 AGAIN

Nebraska knocked off the nation's No. 1 team for the third time in six seasons in 2016 with a 1-0 victory over top-ranked Michigan on April 8 at Bowlin Stadium. The win was a first for the Huskers on two fronts: it marked Nebraska's first win over a No. 1 team at home and it marked the first time the Huskers had defeated a top-ranked conference opponent. Nebraska's previous two victories over the No. 1 team (Florida in 2011 and Oklahoma in 2013) both came during non-conference play.

## HUSKERS DEFEAT THREE TOP-10 TEAMS

Including the thrilling victory over No. 1 Michigan, Nebraska earned wins over three top-10 teams in 2016. The Huskers also defeated No. 7 Oregon (6-5) on Feb. 26 and No. 9 James Madison (8-4) on March 11. Nebraska owns 14 victories over top-10 teams in the past six seasons. Cassie McClure earned all three wins against top-10 foes in 2016, becoming the third different Husker pitcher in the last six years to record at least three wins vs. top-10 teams in a single season.

## REVELLE RECORDS 900TH VICTORIES

Head Coach Rhonda Revelle earned both her 900th career victory and win No. 900 at Nebraska in 2016. Revelle's 900th career win came on March 12, when the Huskers rallied to defeat Ohio State, 5-4, in non-conference play. Her 900th win at Nebraska came on April 3, when the Huskers knocked off Maryland, 26-4 in five innings. Revelle is one of only 12 active Division I coaches who has won 900 or more games at his or her current school.

## RECORDS FALL IN HUSKERS' 26-4 WIN AT MARYLAND

Rhonda Revelle's 900th win at Nebraska was memorable in more ways than one, as the milestone victory came in record-breaking fashion. The Huskers defeated Maryland, 26-4 (5), setting school records for runs scored and RBIs (23) while producing the biggest margin of victory in a conference game in school history. The 22-run victory was Nebraska's second-largest win overall, while the Huskers' 21 hits were one shy of the school record. NU scored in every inning, including 11 runs in the second and eight more in the third. Six Huskers had at least three hits, five had at least three RBIs and nine scored multiple runs.

## BIG RED POSTS ANOTHER BIG OFFENSIVE SEASON

Nebraska enjoyed another big offensive season in 2016. After setting more than a dozen team records the previous two seasons, the Huskers hit .294 in 2016 with 75 doubles, 65 homers, 321 runs, a .474 slugging percentage and a .390 on-base percentage. NU finished with the second-most home runs in school history, the third-highest on-base and slugging percentages, the fourth-most RBIs and extra-base hits and the fifth-most runs.

Nebraska scored 300 runs for the fourth consecutive season in 2016, after scoring 300 runs only three times in its first 37 seasons combined. The Huskers ranked in the top 50 nationally in scoring in 2016, becoming one of only nine schools in the country to rank in the top 50 nationally in scoring in each of the last six seasons.

## NU SINGLE-GAME ATTENDANCE RECORD BROKEN

After upsetting No. 1 Michigan on April 8, a school-record 2,302 fans came out to Bowlin Stadium to watch the Huskers take on the Wolverines the next day. The largest crowd in school history came just two years after Nebraska set a record with 2,204 fans who came out to see Nebraska sweep a doubleheader from Ohio State on April 19, 2014.

## NEBRASKA SEASON ATTENDANCE RECORD BROKEN

Fueled by the largest crowd in school history against Michigan, Nebraska averaged 1,006 fans per game at Bowlin Stadium in 2016. The Huskers posted their highest average attendance in school history, while averaging 1,000 fans per game for the first time ever. Nebraska was one of only 19 schools nationally to average 1,000 fans per game in 2017.

## MORE MULTIPLE ALL-AMERICANS FOR THE BIG RED

For the second time in three seasons, multiple Huskers were selected as All-Americans in 2016. MJ Knighten earned first-team All-America honors from the NFCA, becoming the seventh Husker to be named a first-team All-American. Kiki Stokes was a third-team selection for the second straight year, becoming the ninth Husker to earn multiple All-America awards. Nebraska has had five All-Americans in the past three seasons and seven in the last six years.

## KNIGHTEN NAMED A FIRST-TEAM ALL-AMERICAN

MJ Knighten put up terrific numbers en route to first-team All-America honors in 2016. Knighten finished with a .376 average, eight doubles, 21 home runs and 60 RBIs. She ranked second in school history in home runs, runs (61) and slugging percentage (.794).

More impressively, Knighten finished with 64 hits, 61 runs and 60 RBIs, becoming the first player in Husker history to produce 60 hits, 60 runs and 60 RBIs in a season. Knighten averaged more than 1.0 hit, 1.0 run and 1.0 RBI per game, and she ended the regular season ranked second nationally in home runs, 10th in runs and RBIs and 15th in slugging percentage.

## STOKES ENDS CAREER AS TWO-TIME ALL-AMERICAN

Kiki Stokes was named a third-team All-American for the second straight season in 2016. Stokes led Nebraska with a .409 batting average, becoming just the third Husker to hit .400 in back-to-back seasons. Stokes also paced the Huskers with 74 hits, 12 doubles, three triples, a .509 on-base percentage and 20 stolen bases.

Fueled by an outstanding senior season, Stokes left her mark on the Nebraska record book. She ended her career with a school-record 200 runs scored and ranked third in walks (120), fifth in hits (233), triples (13) and stolen bases (67), sixth in batting average (.350), eighth in total bases (359), ninth in extra-base hits (65) and 10th in slugging percentage (.540).

## STOKES BECAME HIGHEST NPF DRAFT PICK IN NU HISTORY

In addition to earning the second All-America award of her career in 2016, Kiki Stokes was the first outfielder taken in the 2016 National Pro Fastpitch College Draft. Stokes was taken in the first round with the No. 6 overall selection by the Scrap Yard Dawgs expansion franchise to become the highest NPF draft pick in school history. Stokes made her professional debut in the Dawgs' inaugural game on June 2 at Chicago, earning the start in right field and going 2-for-4 with a stolen base.

# 2016 SEASON NOTEBOOK & RESULTS

## IMPRESSIVE PITCHING STREAK CONTINUES

In the circle, Cassie McClure earned first-team all-region accolades for the second time in her two seasons at Nebraska. McClure's selection stretched Nebraska's streak to six straight years with an all-region pitcher, including two seasons during that time when NU had two pitchers earn all-region accolades. Overall, Nebraska has produced 23 all-region pitchers in the last 22 seasons.

## FOUR HUSKERS EARNED ALL-REGION RECOGNITION

Four Huskers were named to the NFCA All-Midwest Region team in 2016, including three players who were first-team selections for the second straight year. Nebraska's four overall selections and three first-team honorees tied for the most of any team in the Midwest region.

MJ Knighten, Cassie McClure and Kiki Stokes were each named to the first team for the second straight year. McClure earned the third all-region honor of her career, as she was a 2014 third-team All-Central Region selection at Texas Tech before transferring to Nebraska. Mattie Fowler earned a spot on the All-Midwest Region second team, the first honor of her career.

## THREE HUSKERS EARNED ALL-BIG TEN HONORS

Mattie Fowler, MJ Knighten and Kiki Stokes each earned All-Big Ten accolades in 2016. Knighten and Stokes were first-team selections for the second straight season, while Fowler was recognized for the only time in her career with her appointment to the second team. Stokes ended her career as a two-time All-Big Ten selection, while Knighten has earned all-conference accolades in each of her first three seasons after garnering second-team honors as a freshman in 2014.

Fowler also earned a spot as the first baseman on the Big Ten All-Defensive Team, and was named to the Big Ten All-Tournament team, along with Stokes. Knighten and Stokes both took home one Big Ten Player-of-the-Week honor in 2016, while Cassie McClure was twice named the Big Ten Pitcher of the Week in 2016.

## FOWLER NAMED FIRST-TEAM ACADEMIC ALL-AMERICAN

Mattie Fowler was named a CoSIDA First-Team Academic All-American in 2016, becoming the 22nd Husker to earn academic All-America accolades and the seventh to be a first-team honoree. Fowler competed as a graduate student enrolled in Nebraska's MBA program in 2016. She earned her degree in finance in May of 2015, and Fowler carried a 3.80 cumulative grade-point average as an undergraduate.

## NU ADDED TO NATION-BEST ACADEMIC ALL-AMERICA TOTAL

With Mattie Fowler's selection as a 2016 CoSIDA First-Team Academic All-American, Nebraska became the first softball program in NCAA history to total 30 academic All-Americans. The Huskers have totaled five more academic All-Americans than second-place Southern Illinois (25). Overall, Nebraska softball has produced the third-most academic All-Americans among all female athletic programs in NCAA history.

## SEVEN HUSKERS NAMED BIG TEN DISTINGUISHED SCHOLARS

Seven Huskers were named Big Ten Distinguished Scholars in 2016, including Rachel Arthur, Mattie Fowler, Gina Metzler, Taylor Otte, Lotte Sjulín, Madi Unzicker and Austen Urness. A supplement to the academic All-Big Ten program, Distinguished Scholar Award recipients must be letterwinners in at least their second academic year at their institution and must carry a minimum grade-point average of 3.7 or higher for the previous academic year.

## NINE EARNED ACADEMIC ALL-BIG TEN HONORS

Twelve of a possible 16 Huskers earned academic All-Big Ten honors in 2016, with all 12 players earning academic All-Big Ten recognition in every eligible season of their careers.

Highlighting the group was Mattie Fowler, who became the first Husker to be a four-time academic all-conference selection. Alicia Armstrong and Dawna Tyson both earned their third consecutive academic All-Big Ten accolades, while Rachel Arthur, Lotte Sjulín and Austen Urness were honored for the second year in a row. Husker sophomores making the 2016 Academic All-Big Ten team in their first season of eligibility included Laura Barrow, Caitlin Bartsch, Kaylan Jablonski, Gina Metzler, Taylor Otte and Madi Unzicker.

To be eligible for academic All-Big Ten honors, a student-athlete must be a letterwinner who is in at least their second academic year at their institution and carry a cumulative grade-point average of 3.0 or higher.
